

The background of the entire image is a close-up photograph of a marble surface. It features a classic Calacatta Pulpis pattern, characterized by a light cream or off-white base color with intricate, flowing veins of brown, tan, and grey. The veins vary in thickness and direction, creating a dynamic and organic texture. The lighting is soft, highlighting the natural grain and subtle variations in the stone's color.

THE ELEGANCE IN TILES

## REPRODUCCIÓN DE VETAS Y GIROS CROMÁTICOS VEINS REPRODUCTION AND CHROMATIC SHIFTS

Dada su neutra versatilidad, las piezas de esta serie casan a la perfección con aquel interiorismo más minimalista, aunque también con aquel más clásico.

La belleza multifacética, y siempre diferente del mármol, regresa en una gama extremadamente rica de variaciones estéticas. Acentos de autenticidad para proyectos de carácter altamente exclusivo.

Given their neutral versatility, the pieces in this series fit perfectly with minimalist interior design, and also with a more classic style.

The multifaceted, ever-changing beauty of marble, makes its comeback in this range, which offers a rich assortment of style options. An authentic flavour for extremely exclusive designs.

Mármol, un clásico que gana valor con el paso de cada temporada. La joya de la arquitectura y el diseño que nunca pasa de moda. Atractivo y elegante, la serie Pulpis es la colección perfecta para crear ambientes naturales, sin renunciar a nada en el camino de la modernidad, gracias a su original diseño.

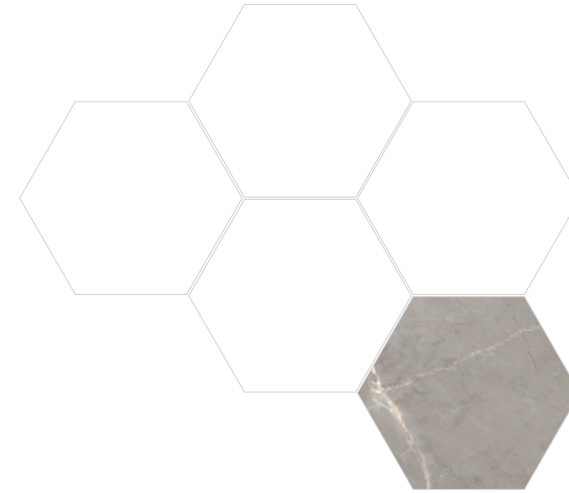

Por su carácter polivalente y entereza, Pulpis se puede utilizar como pavimento o revestimiento y acaba con las limitaciones del espacio, convirtiendo cada pieza en un elemento decorativo.

Marble, a classic that gains in value with the passing of each season. The jewel of architecture and design that never goes out of style. Beautiful and elegant, the Pulpis series is the perfect collection to create natural atmospheres, without sacrificing anything in the way of modernity, thanks to its original design.

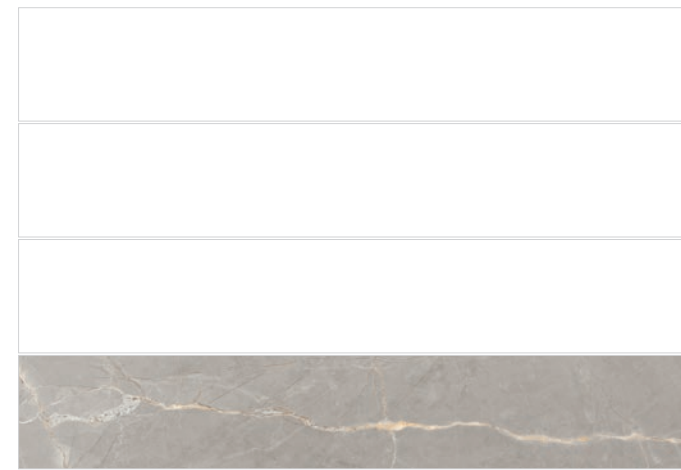

Due to its versatility and strength, Pulpis can be used as a floor or wall tile and it eliminates space limitations, making each piece a decorative element.
